HOCKEYTHON 07

VS PEDIATRIC CANCER

What do you get when you combine a great group of hockey players with a great cause?
You get a night like tonight!

Welcome to **HOCKEYTHON 07**-The first of what we hope will be many successful and memorable hockey events to benefit children who have been diagnosed with cancer, and their families. So many people in our area, in fact many of the players you will see here tonight have been touched by this tragic disease. As the idea grew and word spread about the event, response was overwhelming, and the rosters and sponsor lists filled up almost immediately.

If all goes according to plan, we will have far exceeded our original goal of contributing \$10,000 to the Hope and Heroes Children's Cancer Fund.

Thank you to all who made this night possible through inspiration, hard work and unbelievable dedication, especially Anthony Borsellino, Ed Connors, Joe Scarmato, Pete O'Shea, and John Barnard, all of whom supplied the drive to make a good idea great. Also, thank you to Brady Blaszk, Cliff Kunz, John Foxx, Debbie Borsellino, Regina, Joe, and Christina Borsellino, Denise Roland, Tom Callan, Chris Muskopf and the countless others who have given generously of their time.

Thank you to our generous sponsors, listed on the reverse, who overwhelmingly pushed us beyond our expectations. A special thank you to Bob Schneider and the Palisades Center Ice Rink for generously donating their facility for the overnight time period. Thanks to Gary Harrison from Harrison Daniels who helped produce the game jerseys and some of the printed materials given to players. Thanks also to Peter Carr for providing musical entertainment, Fiesta Cancun in Stony Point, and Roxy's Delicatessen and The River Club in Nyack for providing refreshments for the evening, Dan Fischer for organizing the referees, and Performance Physical Therapy for providing training staff. The printing of this program was donated by LLNS.

Mostly, thanks and good luck to all the players for contributing to make this night memorable and great. Have fun, stay hydrated and feel good about yourselves. We're at the start of something great!

This year, Hockeython is proud to benefit Hope & Heroes Children's Cancer Fund. The fund provides philanthropic assistance to the Herbert Irving Child & Adolescent Oncology Center, an academic division of Columbia University Medical Center located at Morgan Stanley Children's Hospital of NewYork-Presbyterian.

To find out more about Hope & Heroes and the work that they do, you can go to www.hopeandheroes.org

HOCKEYTHON 07 Participants

The no-check, round robin, 4-on-4 Tournament is scheduled to last through tonight, until 6 am, tomorrow morning, here at the Palisades Center Ice rink. This year's tournament involves six teams with players from Northern New Jersey, Rockland, and Westchester.
